

## Chineway(昌为)\_ FMC Biopolymer Signing Agency Agreement

Shanghai Chineway Pharmaceutical Technology Co., Ltd. and **America FMC Biopolymer** on 2009.12.31 signed an agency agreement in Shanghai, China that **FMC** authorizes Chineway as the sales agent for pharmaceutical grade "Avicel PH/RC, AcDiSol and other pharmaceutical excipient" in the pharmaceutical market and nutritional supplements market.

Shanghai Chineway will organize and manage the entire value chain in every aspect, from procurement, research and analysis, marketing, sales, distribution and logistics to after-sales service. We will provide the best professional advice to partners and more value-added service programs. We will develop the most effective marketing services program with the most professional, the most creative staff. We will develop the most effective solutions for customer applications by staff with both laboratory and production experience.

Thanks to our partner, your "pursuit of excellence, innovation services, security and stability of supply," provide a "steady supply of high quality excipients" to the China pharmaceutical and healthcare market. Thanks to the long-term strategic cooperation with Chineway, so that we can provide more products and application development for our great customers and friends.
