

## Shanghai Chineway Lab. Free-Sample-Dispatching Month (The First Phase)

After equipments upgrading and re-decoration, Shanghai Chineway Pharmaceutical Technology Co.,Ltd technology application laboratory is now opening to the outside. Shanghai Chineway has always been dedicated to providing high-performance products and efficient solutions. Therefore, Shanghai Chineway began to upgrade and transform the laboratory in 2013 and looked forward to solving problems for customers effectively, improving quality, and providing more value added service with technical service through the upgrading. To enable the majority of clients to know and use high-performance excipients imported by Chineway, we will hold Lab Free-Sample-Dispatching Month irregularly and dispatch free samples to customers, meanwhile, provide customers with free technical guidance and support.
