

## Chineway(昌为)\_Yungzip Signing Agency Agreement

Shanghai Chineway Pharmaceutical Technology Co., Ltd. and **Taiwan Yung Zip** on 2014.03.28 signed an agency agreement in Taiwan that **Yung Zip** authorizes Chineway as the sales agent within mainland, China, Hongkong and Macao for pharmaceutical grade "Sodium Starch Glycolate" in the pharmaceutical market and nutritional supplements market.

Shanghai Chineway will organize and manage the entire value chain in every aspect, from procurement, research and analysis, marketing, sales, distribution and logistics to after-sales service. We will provide the best professional advice to partners and more value-added service programs. We will develop the most effective marketing services program with the most professional, the most creative staff. We will develop the most effective solutions for customer applications by staff with both laboratory and production experience.

Thanks to our partner, your "pursuit of excellence, innovation services, security and stability of supply," provide a "steady supply of high quality excipients" to the China pharmaceutical and healthcare market. Thanks to the long-term strategic cooperation with Chineway, so that we can provide more products and application development for our great customers and friends.

### Yung Zip Company Profile

In 1978, initially Yung Zip Chemical was founded for manufacturing and supplying the active pharmaceutical ingredients

In 2001, Yung Zip Chemical had been inspected, approved by US FDA and ensured our excellent quality, allowing our products to market in US, Europe and other industrialization countries. In order to offer our qualified products worldwide and serving our international customers, extensive marketing-networks were set up and the Drug Master Files for most Active Pharmaceutical Ingredients are prepared and offered to satisfy our customer's information requirement.
